

AT A GLANCE

BOYS & GIRLS CLUBS ANNUALLY SERVE NEARLY 4 MILLION YOUNG PEOPLE, THROUGH MEMBERSHIP AND COMMUNITY OUTREACH, IN MORE THAN 4,000 CLUB FACILITIES THROUGHOUT THE COUNTRY AND BGCA-AFFILIATED YOUTH CENTERS ON U.S. MILITARY INSTALLATIONS WORLDWIDE.

- Clubs are community-based and building-centered.
- Clubs provide a safe, affordable place for youth during non-school hours and the summer.
- Clubs are led by paid, trained youth development professionals.

OUR VISION: Provide a world-class Club Experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.

Child Safety is Our No. 1 Priority

For more than 100 years, child protection and safety have been the bedrock principles of our work. We are committed to providing our nation's youth with safe havens staffed by caring adult mentors who have the best interests of children at heart.

Clubs Help Kids Stay in School and Improve Their Academic Success

Each year, 1 in 4 high school students fails to graduate on time. BE GREAT: Graduate, our dropout prevention initiative, targets communities with high dropout rates. Nationwide, our most utilized program is Power Hour, which provides homework help and tutoring. In 2013, BGCA introduced Brain Gain, which helps prevent the summer learning loss that contributes to the alarming achievement gap between low- and high-income youth.

Clubs Help Kids Graduate from High School, Prepared for a Great Future

Ensuring that every Club member graduates from high school on time with a solid plan for their future is of the highest priority for BGCA. A variety of high-impact programs support this effort:

- Diplomas to Degrees, a college-readiness program
- CareerLaunch®, which introduces young people to the world of work
- Money Matters: Make it Count, a financial literacy program

Clubs Help Kids Lead Healthy Lifestyles

Our signature program in this area is Triple Play: A Game Plan for the Mind, Body and Soul, a holistic approach to educating youth about nutrition, fitness and forming healthy relationships. Additionally, the WANNA PLAY™ program encourages youth ages 6 to 12 to increase their overall fitness and health while learning the fundamental skills of baseball and softball.

Clubs Help Kids Avoid Risky Behaviors

9th-grade Club members are less likely than the national average to engage in risky behaviors such as smoking, drinking and using marijuana. Programs like SMART Girls and Passport to Manhood help kids build self-esteem, treat others with respect, and make good choices.

Clubs Help Kids Develop a Strong Character

Our Youth of the Year initiative promotes and celebrates service to Club, community and family; academic performance; moral character; life goals; and poise and public speaking ability.

Boys & Girls Clubs Save Lives

In a Harris Interactive survey, **57% of Boys & Girls Club alumni said the Club “saved my life.”**
