Team Sports Sponsors Make a Difference ...

Team Sports are an important component of the Boys & Girls Clubs. Programs are offered to youth, kindergarten through high school. Our program stresses fun and fitness over competition. Since the mid-'80s, sport sponsorships have been a vital part of our program which has become one of the largest youth basketball leagues in all of Oregon. Most importantly, as local costs to operate the program increase, team sponsors help Boys & Girls Clubs keep participation fees as low as possible. Win or lose, our program emphasizes the development of each child’s confidence and self-esteem. It teaches them to work with others as a team—and to look out for and support each other.

We hope you will become a Team Sponsor!
