Talent Auction History

The Talent Boys & Girls Club Auction was created in 2012 as a last chance effort to save the Talent Club. That first event was a huge success, raising over \$17,000 - and to this day, the Club and its community support continue to gain momentum, surpassing our growing goal each year. With membership rates at record highs, the Talent Boys & Girls Club serves over 550 youth each year.

This event is quickly becoming one of the season's most anticipated events. Guests receive a holiday feast, local beer and wine, and enjoy a fun Live Auction packed with local items ideal for holiday gift-giving.
